Further sales of listed securities of approximately \$3.6 million have occurred since month end.

The Notice of General Meeting issued on 27 June (Section 3(c)) noted that the terms of the sale of the Company's investments may be affected by market, trading or commercial risks pertaining to the relevant investments or the market generally. Some of the listed equities may be thinly traded or illiquid and this may delay the sale or adversely affect the price at which the Company is able to sell those securities. The Company has an investment in a company which is not listed. Similarly, being an unlisted company may delay the sale or adversely affect the price at which the Company is able to sell this investment.
